We request our parents to encourage and make arrangements for your ward for the participation. Prepare with home-made food and must wear modest, colourful and respectful clothing. We hope that the parents understand this rule as a matter of discipline and appreciate the same.

Kindly prepare some “healthy snacks” (fruits, Salads, healthy sandwiches, fresh juices, mandi, Manakesh (zattar or cheese) OR “native UAE foods eaten during this season,” for the Term end party on the same day. Avoid carbonated drinks and junk foods.

The students can perform any kind of activities such as speech, dance, singing etc. which should reflect the school life, World and UAE heritage, culture, student's responsibility etc. by the assistance of your respective class teachers. **But, strictly prohibited to bring electronic devices, especially mobile phones. Students can use their respective class teacher's mobile to capture snap shots for your memories.**
